Dear Valued Stakeholder

RE: UPDATE ON THE PROCESS OF FUNDING APPLICATIONS FOR HIGHER IMPACT PROJECTS

1. The above subject refers.
2. CATHSSETA extended an invitation to stakeholders to submit funding proposals for High Impact Projects (HIPs) on 19 January 2025, with the closing date of 9 February 2025.
3. These initiatives are intended to foster meaningful partnerships that support skills development and empowerment of previously disadvantaged individuals and communities. The primary objective of this call was to support strategic initiatives that contribute to reducing inequality, poverty, and unemployment while aligning with the outcomes outlined in the National Skills Development Plan, 2030 (NSDP).
4. We would like to thank all the stakeholders who have shown interest, and the response has been overwhelmingly positive, resulting in delays in the finalisation of the evaluation and adjudication processes.
5. Furthermore, it is of paramount importance that the CATHSSETA, as a creature of statutes, ensures compliance with all legal requirements in discharging its responsibilities, hence, the finalisation and allocations for the above-mentioned HIPs can only be done during the third and fourth quarters of the 2025/26 financial year.
