Dear Valued Stakeholder

RE: UPDATE ON THE FUNDING PROPOSALS SUBMITTED FOR THE STRATEGIC PROJECTS AND PARTNERSHIP

1. CATHSSETA invited stakeholders to submit funding proposals for Strategic Projects and Partnership Proposals on 05 November 2024 and closed on 18 March 2025.
2. These initiatives are intended to foster meaningful partnerships that support skills development and empowerment of previously disadvantaged individuals and communities. The primary objective of this call was to support strategic initiatives that contribute to reducing inequality, poverty, and unemployment while aligning with the outcomes outlined in the National Skills Development Plan, 2030 (NSDP).
3. We would like to thank all the stakeholders who have shown interest, as this was demonstrated by the overwhelming requests that have been submitted, necessitating a phased approach to be adopted.
4. Due to the high volume of requests received, coupled with their complexities, we could not complete all the internal processes by year-end, resulting in delays.
5. In light of the aforementioned, we would only conclude the processes during the third quarter of the financial year, given the legislated requirements that have to be complied with. Once everything has been finalised, you will be notified accordingly.
